1. I give you me, coagulaly, not; coagulating not, but what am I coagulating now? Coagulates'ville? Exactly so! I am bringing all out of coagulates'ville to be un-coagulated now, and massless, and mattering again not in the world of mass confusion except to manifest me, man of peace, bringing all into. And out of the world now I cast all not me, for I am the me head of this world, no longer slain a man as God not.

2. Not the kind of thing you preach on a Sunday morning casually, but you my friend preach casually about living abundance never imagined on this earth before. I love you. Amen.
